

**PRESS RELEASE - FOR IMMEDIATE RELEASE**

# Shimco Joins Ontario Showcase at the Paris Air Show 2017

*The Ontario Government, in partnership with the Ontario Aerospace Council (OAC), is organizing the Ontario presence.*

CAMBRIDGE, Ontario June 8, 2017 – Shimco, [an award-winning, world-wide leader in the manufacture of precision parts and gap-management solutions](#) will join other leading Ontario aerospace manufacturers at the 52<sup>nd</sup> edition of the [Paris Air Show](#) taking place at the Le Bourget Parc des Expositions from June 19-25, 2017. The Ontario Government, in partnership with the Ontario Aerospace Council (OAC), is organizing the province's presence at the Paris Air Show in the Ontario Pavilion located in Hall 3, Booth C60.

Representing Shimco on stand will be Peter Voss, President and CEO, and Jason Boland, Sales Manager. Voss is pleased to be a returning exhibitor at one of the largest worldwide events dedicated to the aviation and aerospace industry, to showcase Shimco's precision parts, laminated, edgebonded and tapered shims & spacers, as well as to discuss the company's expansion plans in 2018 that will add processing capabilities and a research & development "Center of Excellence".

"The Paris Air Show has proven to be extremely valuable in connecting with leading aerospace, defence and space OEMs, and Tier 1 customers and suppliers from around the world," said Voss. "Shimco has evolved over the last six years from a traditional manufacturer to a company driven by technology and innovation, resulting in a significant number of new contracts and partnerships with leading aerospace companies that will be in attendance at this event. We look forward to meeting with current and new customers during the show and at the numerous networking events."

Over a hundred years old, the Paris Air Show is the largest and longest-running aerospace trade show in the world. The last edition of the show, held in 2015, featured more than 2,300 exhibitors from 48 countries and 91 official delegations. The show was attended by more than 150,000 industry professionals from Europe, the Americas, the Middle East, Asia and Africa. Industry professionals announced US \$130 billion worth of orders at PAS 2015.

## **About Shimco**

For over 25 years, Shimco has served the aerospace, defense, space, industrial and other sectors worldwide. Shimco is an award-winning, world-wide leader in the manufacture of precision parts and gap-management solutions (such as laminated and edge-bonded shims, tapers and spacers), in materials ranging from aluminum and titanium through to synthetics and composites and in PEO coated shims.
