Shimco To Showcase Latest Machined Laminated And Edgebond Shims At HELI-EXPO®

HELI-EXPO takes place February 11-14, 2012 in Dallas, Texas

MARKHAM, Ontario (January 19, 2012) – Shimco announced today that the Company will showcase its latest machined laminated and edgebond Shims in booth #8448 at HELI-EXPO, held February 11-14, 2012 in Dallas, Texas. HELI-EXPO is the world's largest tradeshow dedicated to the international helicopter community.

For over 25 years, Shimco has served the Aerospace, Defense, Industrial and other industries worldwide with laminated and edgebond shims, tapers, spacers, and precision manufactured built-to-print parts, made from a wide range of conventional and advanced aerospace-approved materials. A Canadian manufacturer, Shimco has built a reputation around the world for outstanding quality, on-time delivery, customer service and innovative solutions. Shimco was recently designated a Premier Supplier by Bell Helicopter.

Peter Voss, President of Shimco comments: "We are proud to be an exhibitor at HELI-EXPO. The show draws representatives from the Helicopter industry world-wide, enabling us to showcase our innovative Shim portfolio and highlight our capabilities and future plans with numerous leading companies. I also look forward to meeting up with many of our customers attending this four-day event."

Visit Shimco at HELI-EXPO in Booth #8448

With displays from more than 600 exhibiting companies covering one million square feet of space and helicopters on the show floor, HELI-EXPO is a one-stop shop for everything helicopter related. HELI-EXPO is produced by the Helicopter Association International (HAI).
